CEPHEUS C6-2 House – The perfect combination: space, light & style Looking for a house that breaks away from the classics? The C6-2, with its approximately 180 m² of living space, is clearly designed for those who want spaciousness, comfort... and a little wow factor every day ?? A ground floor that breathes (literally) Here, forget about fixed spaces: the kitchen and living room play with different levels to create a vibrant and inviting living space. And above all... 3.65 m high ceilings in the living room! Yes, you read that right. The result: incredible natural light and a feeling of spaciousness that makes all the difference. The entire house opens generously onto the terrace and garden. Plenty of space to welcome guests (and everyone) First floor: A master suite with dressing room and shower room (your own private space) A large bedroom with its own shower room A convenient laundry room Second floor: Two additional bedrooms (one with a terrace) A shared bathroom Basement: perfectly organized Separate...
