

DESCRIPTION

CEPHEUS House C6-3 House C6-3 is a semi-detached house with a net living area of approximately 180 m² that will charm you with its beautiful spaces and generous proportions. Ground Floor: The kitchen and living room are arranged on different levels and open generously onto the terrace and garden thanks to the living room's exceptional 3.65 m ceiling height, providing extraordinary brightness and unparalleled living comfort. Upstairs, the house features four bedrooms and a laundry room, divided into: On the first floor: One master bedroom with a dressing room and en-suite shower room. One large bedroom with its own shower room. One laundry room. On the second floor: Two bedrooms, one with a terrace. One shared bathroom. The basement includes a separate toilet, one parking space, one cellar, and one utility room. Exterior - South-facing: 1 terrace. 1 private garden. 1 roof terrace. Street side: 1 private outdoor parking space. The house is ready for the installation of an electric vehicle charging station. Gros...
