

DESCRIPTION

CEPHEUS House C5-1 House C5-1 is a semi-detached house with a net living area of approximately 180m² (1,900 sq ft) that will charm you with its beautiful spaces and generous proportions. Ground Floor: The kitchen and living room are arranged on different levels and open generously onto the terrace and garden thanks to the living room's exceptional 3.65m ceiling height, providing extraordinary brightness and unparalleled living comfort. Upstairs, the house features four bedrooms and a laundry room, divided into: On the first floor: One master bedroom with a dressing room and en-suite shower room. One large bedroom with its own shower room. One laundry room. On the second floor: Two bedrooms, one with a terrace. One shared bathroom. The basement includes a separate toilet, one parking space, one cellar, and one utility room. Exterior - South exposure: 1 terrace, 1 private garden, 1 rooftop terrace. Street side: 2 private parking spaces. The house is ready for the installation of an electric vehicle charging station...
